

Thinking Rabbit...? Think Adoption!

Every year there are nearly as many House Rabbits euthanized as there are that find happy homes. Adoption along with proper Spay & Neuter practices can stop this trend.

They are NOT Easter Bunnies!

You can't just throw them away!

They are a real live 10 year commitment that requires love, attention, health care and more...

Needs You
www.HugABunny.net

We are here to help you get educated and find the right Bunny for you.

We are a Foster home and operate under the guidance of and on behalf of the Gainesville Rabbit Rescue.
